

Core Values

As a community of faith, we have agreed that ten core values are at the heart of our life and work together. With these core values, we confess the faith as embodied in the Church through the ages. We recognize that these values are rooted in our history, doctrine and liturgy. In essence, they convey the essential beliefs of our Church as stated in our Articles of Faith and Doctrine.

We present these ten core values to help you to better understand the Passaic County Christian Center. In ten concise statements, these are the values which shape our ministry character, determine the ministry vision, touch our hearts, influence our overall behavior, stir our emotions, and move us to action!

God-Centered

We value putting God at the center of all that we do. We put His glory and His honor first, asking in every decision, "Will this bring the greatest glory and praise to our God?"

Worshipping God

We value heartfelt worship that is God-honoring, Spirit-directed, and life-changing. At PCCC, our worship is passionate and innovative. We place value on encountering God through songs not only sung about God, but to Him in an environment that invites His presence.

Edifying

We value building up the body of Christ by helping believers, as individuals and groups, know God's word and practice it in daily life.

Authentic Relationships

We value real relationships that establish heartfelt community, and accountability.

Prayer-Powered

We value prayer as our amazing privilege of speaking with the King of the Universe, expressing and developing our intimate family relationship with Him. We value prayer as the source of power and the visible engine for all our efforts.

Teaching

We value teaching and educating believers to their inheritance in Christ so that they can fulfill their God given potential.

Training

We value training leaders for Christ's work through mentoring so as to multiply God's vineyard world-wide while making well rounded disciples.

Evangelism

We value an active and loving witness for Christ to all people. We value life-style evangelism, one that goes beyond just influencing people; it's reaching them for Christ and connecting them to the local church. We want to have a sustainable impact in our families and communities.

Core Values

Family-Strengthening

We value building up strong marriages and families, where God's Word is taught and lived out, where husbands love their wives as Christ loved the church, where wives respect their husbands, where the hearts of the parents are turned toward their children, and the hearts of the children toward their parents.

Grace Living

We value knowing that salvation is only received by grace. We are committed to living by grace, understanding that salvation is freely given to all those that believe and confess Jesus as Lord and Savior.
